PRODUCT SAFETY & TRANSPARENCY

Verçade products are tested to the latest standards for Volatile Organic Compounds (VOCs), formaldehyde, phthalates, and heavy metals. In fact, the standards used for the testing of phthalates and heavy metals in Verçade are the same standards used for the testing of children’s toys, setting a very high bar. Verçade has surpassed that bar – and we welcome you to inspect Verçade’s HPD and Declare Label to your satisfaction.

By selecting Verçade, you have made the choice for safe and sustainable products. And isn’t that what we all want when it comes to products in our businesses and homes? Discover all the possibilities of Verçade Wall Fashion.
